LEARN TO FLY FISH
Full Day Fly Fishing Workshops

For the 2024—2025 trout fishing season we are continuing our successful & popular Learn to Fly Fish workshops.

These workshops are designed for absolute beginners, continuing “novices” & those who might be returning to fly fishing after an extended separation.

Over the season we have scheduled 6 dates, on which we will show you the basics of fly fishing—gear, casting, flies &, of course, fishing!

Our setting is the fantastic Herne Lodge, a private fishery in the Central Highlands that has at least six generations of wild brown trout in its waters. The setting is ideal for instruction with great grassy shores, easy wading and practical facilities—a weather-proof hut with an

We’ll supply all the gear — rods, reels, lines, flies & waders, refreshments over the course of the day plus a BBQ lunch. And, as a bonus, you don’t need to buy a licence, as this is a private fishery.
